THE FOREGOING LIMITATIONS WILL APPLY NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY HEREIN.

11. **Term and Termination.**

12.6. **Force Majeure.** Neither Party shall be deemed to have breached any provision of these Terms as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, terrorism, energy crises, fires, transportation contingencies,

12.10. **Severability.** The invalidity or unenforceability of any provision of these Terms shall not affect the validity or enforceability of any other provision of these Terms.

12.11. **Waiver.** The failure of either Party to enforce at any time the provisions of these Terms, or the failure to require at any time performance by the other Party of any of the provisions of these Terms, shall in no way be construed to be a present or future waiver of such provisions, nor in any way affect the ability of either Party to enforce each and every such provision thereafter. The express waiver by either Party of any provision, condition or requirement of these Terms shall not constitute a waiver of any future obligation to comply with such provision, condition, or requirement.

12.12. **Entire Agreement.** These Terms, including any and all exhibits attached hereto, is the entire agreement of the Parties and supersedes any prior representations, agreements, negotiations, or understandings between them, whether written or oral, with respect to the subject matter hereof. No waiver, alteration, or modification of any of the provisions of these Terms shall be binding unless in writing and signed by duly authorized representatives of the Parties hereto.
